Course Information

Delivery Format: Instructor Led - Online

Course Overview

In this Agile Leadership training course, you will learn to articulate a compelling vision for your organization's future based on identifying and enhancing business value. Smart leaders realise that career advancement is based on the business results they achieve rather than the knowledge they hold, and in today’s world of rapid change, agility is required to deliver these results. With this Agile Leadership course, you will apply and facilitate an Agile leadership framework, realise your career aspirations, and advance your organization’s goals.
