Autodesk Civil 3D 2023: Fundamentals for Land Developers

Category: Design & Creative | **Vendor:** Autodesk

Duration: 2.00 hours (1 days) **1.6 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: vILT

Course Overview

Learn how to create site grading plans on the Autodesk Civil 3D software. The course covers parcel grading, building pad design, parking lot design, pond design and more. The training can be taken by managers who want to understand the grading plan aspect of Autodesk Civil 3D software.

About This Course

Learn how to create site grading plans on the Autodesk Civil 3D software. The course covers parcel grading, building pad design, parking lot design, pond design and more. The training can be taken by managers who want to understand the grading plan aspect of Autodesk Civil 3D software.

Who Should Attend

Experience with AutoCAD or AutoCAD-based products and a sound understanding and knowledge of civil engineering terminology is recommended.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Detailed Course Outline

Parking Lot Design, Parking Lot Design, Parcel Grading, Parcel Grading, Building Pad Design, Building Pad Design, Introduction to Grading for Land Developers, Introduction to Grading for Land Developers, Combining Surfaces, Combining Surfaces, Using InfraWorks for Visualization, Using InfraWorks for Visualization, Parking Lot Option, Parking Lot Option, Pond Design, Pond Design

Frequently Asked Questions

Q: What delivery options are available for Autodesk Civil 3D 2023: Fundamentals for Land Developers?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
- Traditional Instructor-Led Classroom Training (ILT)
- On-site delivery at your offices anywhere in United Kingdom
- Private dedicated courses customized for your team

Q: How many CPD hours does this course provide?

The 1-day Autodesk Civil 3D 2023: Fundamentals for Land Developers course provides up to 1.6 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the Autodesk Civil 3D 2023: Fundamentals for Land Developers training?

The training takes place over 1 day(s), with each day lasting approximately 2.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for Autodesk Civil 3D 2023: Fundamentals for Land Developers?

Yes, we provide corporate training, dedicated training, and closed classes for Autodesk Civil 3D 2023: Fundamentals for Land Developers. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: What related terms do people search for?

Popular related searches include: Autodesk Civil 3D 2023: Fundamentals for Land Developers, Autodesk, vILT, Autodesk Civil 3D 2023

Q: Why choose Nexus Human for Autodesk Civil 3D 2023: Fundamentals for Land Developers?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPAL5** when booking your Autodesk Civil 3D 2023: Fundamentals for Land Developers training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
