Building Modern Data Analytics Solutions on AWS

Category: AI, Data & Analytics | **Vendor:** Amazon Web Services

Duration: 4.00 hours (1 days) **3.3 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: vILT

Course Overview

Build cutting-edge data analytics solutions to make the most of your data. Building Modern Data Analytics Solutions on the AWS course trains your team on data storage, processing, analysis, and query features through hands-on labs. Modernized data solutions help teams make agile decisions.

About This Course

Build cutting-edge data analytics solutions to make the most of your data. Building Modern Data Analytics Solutions on the AWS course trains your team on data storage, processing, analysis, and query features through hands-on labs. Modernized data solutions help teams make agile decisions.

Who Should Attend

AWS Technical Essentials

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and

agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities, Course ObjectivesHow to leverage AWS data Services to store, process, analyze, stream, and query data to make decisions with speed and agility at scaleHow to modernize data solutions end to endSkills to put your data to work to make better, more informed decisions, respond faster to the unexpected, and uncover new opportunities

Detailed Course Outline

Day 4:Building Data Analytics Solutions Using Amazon Redshift, Day 4:Building Data Analytics Solutions Using Amazon Redshift, Day 4:Building Data Analytics Solutions Using Amazon Redshift, Day 3:Building Streaming Data Analytics Solutions on AWS, Day 3:Building Streaming Data Analytics Solutions on AWS, Day 3:Building Streaming Data Analytics Solutions on AWS, Day 2:Building Batch Data Analytics Solutions on AWS, Day 2:Building Batch Data Analytics Solutions on AWS, Day 2:Building Batch Data Analytics Solutions on AWS, Day 1:Building Data Lakes on AWS, Day 1:Building Data Lakes on AWS, Day 1:Building Data Lakes on AWS

Frequently Asked Questions

Q: What delivery options are available for Building Modern Data Analytics Solutions on AWS?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
- Traditional Instructor-Led Classroom Training (ILT)
- On-site delivery at your offices anywhere in United Kingdom
- Private dedicated courses customized for your team

Q: How many CPD hours does this course provide?

The 1-day Building Modern Data Analytics Solutions on AWS course provides up to 3.3 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the Building Modern Data Analytics Solutions on AWS training?

The training takes place over 1 day(s), with each day lasting approximately 4.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for Building Modern Data Analytics Solutions on AWS?

Yes, we provide corporate training, dedicated training, and closed classes for Building Modern Data Analytics Solutions on AWS. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: What related terms do people search for?

Popular related searches include: Building Modern Data Analytics Solutions on AWS, Amazon Web Services, vILT

Q: Why choose Nexus Human for Building Modern Data Analytics Solutions on AWS?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPAL5** when booking your Building Modern Data Analytics Solutions on AWS training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
