Course Information

Delivery Format: Instructor Led - Online

Course Overview

Conflict is inevitable, driven by differing experiences, priorities, and perspectives. But it doesn’t have to be disruptive. When managed effectively, conflict can fuel innovation, strengthen relationships, and enhance team performance. In today’s workplace, where most professionals regularly encounter conflict, the ability to de-escalate tension and apply a structured resolution process is essential. This course equips you with practical tools to turn conflict into a catalyst for better outcomes. This course provides professionals with essential conflict management skills to help recognize issues early, prevent escalation, and create positive outcomes. Through a structured approach, using multiple strategies, participants will learn how to resolve conflict with clarity and professionalism.

About This Course

Conflict is inevitable, driven by differing experiences, priorities, and perspectives. But it doesn’t have to be disruptive. When managed effectively, conflict can fuel innovation, strengthen relationships, and enhance team performance. In today’s workplace, where most professionals regularly encounter conflict, the ability to de-escalate tension and apply a structured resolution process is essential. This course equips you with practical tools to turn conflict into a catalyst for better outcomes. This course provides professionals with essential conflict management skills to help recognize issues early, prevent escalation, and create positive outcomes. Through a structured approach, using multiple strategies, participants will learn how to resolve conflict with clarity and professionalism.

Who Should Attend

This course is designed for professionals across the board who want to better understand what drives conflict and how to navigate it effectively. It is ideal for individuals seeking to manage challenging situations with confidence, support others in working through disagreements, foster respectful and productive dialogue, and handle disputes in a way that strengthens relationships and improves outcomes.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Identify common sources, types, and levels of workplace conflict Distinguish between differences and conflict and recognize early escalation signals Select appropriate resolution approaches (informal, supported, formal) Apply conflict management strategies based on context and goals Use a structured process to resolve conflict and achieve win-win outcomes
