Course Information

Delivery Format: Instructor Led - Online

Course Overview

Successful Project Managers must be able to listen and communicate effectively with their teams and all levels of their organizations. It is important to understand communication needs across the project lifecycle, be able to assess a social situation, select an appropriate communication approach, and ultimately control the dialog to become effective at leading teams. This course is part of the PMI Talent Triangle Fast Pass bundle and fulfills the Leadership segment (8 PDUs) of the PMI Talent Triangle for PMP credential holders.
