Category: Networking & Security | **Vendor:** Avaya

Duration: 40.00 hours (5 days) **32.5 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

This 5-day Instructor Led class is designed for individuals responsible for the implementation skills they need to customize and administer an IP Office™ Platform solution and those preparing for the ACIS–Avaya Midmarket Team Engagement Solutions or ACSS– IP Office™ Platform credential.

This course will provide the necessary skills to take the 7720T AIPS Credential.
Delivered in a classroom setting with remote access to lab equipment, this offer consists of a combination of interactive instructor lectures followed by practical lab exercises.
Time will be provided at the end of the course to take this exam; however, payment and registration for this must be made directly to Avaya Learning by raising a Purchase Order to them.

Details of this and how to register can be found here:
