Course Overview

Senior managers have unique demands placed upon them. They need to be able to lead the leaders – offering guidance, critiquing performance, and mentoring their team – while also identifying and developing new initiatives and vision for the future of your organization. To maximize performance and foster a healthy environment, senior managers must also motivate others, nurturing and utilizing the distinctive skills of each team member. Private classes on this topic are available. We can address your organization’s issues, time constraints, and save you money, too. Contact us to find out how. This course has been approved for 14 PDUs | 14 CDUs
