Course Overview

This PMI-PMOCP exam prep course equips PMO professionals to transform their offices into value-driven, strategic business assets that deliver measurable outcomes. Created by global PMO experts, this instructor-led course is suitable for PMO practitioners at all career levels. Participants learn how to position the PMO as a key business partner by identifying customer needs and crafting a compelling PMO value proposition. The course explores techniques for assessing project management maturity at both customer and organizational levels. Learners also discover how to tailor, onboard, and continuously enhance PMO services to align with evolving stakeholder expectations. Finally, the course covers methods to measure customer satisfaction and value perception, ensuring the PMO’s impact is visible and recognized.

Who Should Attend

PMI Authorized PMP Exam Prep

Prerequisites & Entry Requirements

General Prerequisites:

Foundational knowledge of project management concepts, frameworks, and terminology.

Minimum 3–5 years of experience working in project environments (as project manager, PMO analyst, or similar role).

Practical experience with project governance, reporting, and stakeholder communication at the team or departmental level.

Ability to interpret basic project metrics (scope, schedule, cost, risk) and understand their impact on business outcomes.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Explain how to position the PMO as a value-driven, strategic business partner within the organization.

Identify customer needs and define a clear PMO value proposition aligned to business outcomes.

Assess project management maturity for both customers and the wider organization to inform PMO services.

Design, tailor, and prioritize PMO services that address specific stakeholder expectations and organizational context.

Implement effective approaches for onboarding, operating, and continuously enhancing PMO services.

Measure and communicate customer satisfaction and perceived value to demonstrate and sustain PMO impact.
