PNPT Accelerated Camp

Category: Networking & Security | **Vendor:** TCM Security

Duration: 32.00 hours (4 days) **26.0 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

The PNPT Accelerated Camp is an innovative program specifically designed for individuals aspiring to enter the field of ethical hacking, as well as for those seeking to enhance their professional skills. This program stands out for its focus on live training, offering a dynamic and interactive learning environment that greatly benefits students who thrive under direct instruction. Participants will receive immediate feedback and guidance from expert instructors, fostering a more engaging and effective learning experience. Whether you're looking to kickstart a career in cybersecurity or aiming to elevate your existing professional expertise, the PNPT Accelerated Camp provides a comprehensive, hands-on approach that will prepare you for the PJPT and PNPT penetration testing certifications. Please note that this course may meet once a week for 4 weeks.

About This Course

The PNPT Accelerated Camp is an innovative program specifically designed for individuals aspiring to enter the field of ethical hacking, as well as for those seeking to enhance their professional skills. This program stands out for its focus on live training, offering a dynamic and interactive learning environment that greatly benefits students who thrive under direct instruction. Participants will receive immediate feedback and guidance from expert instructors, fostering a more engaging and effective learning experience. Whether you're looking to kickstart a career in cybersecurity or aiming to elevate your existing professional expertise, the PNPT Accelerated Camp provides a comprehensive, hands-on approach that will prepare you for the PJPT and PNPT penetration testing certifications. Please note that this course may meet once a week for 4 weeks.

Prerequisites & Entry Requirements

General Prerequisites:

This is a beginner level class, but students should have basic knowledge of computers and networking. CompTIA A+/Net+/Sec+ knowledge equivalent will prepare you to take this class.

Learning Outcomes

Upon successful completion of this course, participants will be able to:

Our four day accelerated training program provides practical hands-on experience that will prepare you for the Practical Network Penetration Tester Certification from TCM. In this penetration testing training course, you will learn how to: Use different tactics and techniques for Windows and Linux privilege escalation. Perform Open-Source Intelligence (OSINT) to gather intel on how to properly attack the network. Leverage Active Directory exploitation skill sets to perform A/V and egress bypassing, lateral and vertical network movements, and ultimately compromise the Domain Controller. Perform internal and external penetration tests in real-world environments. Exploit web applications to gain a foothold in a network. Provide a detailed, professionally written report.

Detailed Course Outline

1 – Intro to OSINT

- What is OSINT and the Intel Lifecycle?
- What are Sock Puppets?
- Search Engine Operators
- Email OSINT
- Password OSINT
- Username OSINT
- Image OSINT
- Image OSINT Review
- Video OSINT Review
- Website OSINT
- Business OSINT
- Social Media OSINT

2 - PNPT Preparation

- Port Scanning Tactics
- Service Enumeration
- Shell Types, Payloads, and Exploitation
- Privilege Escalation Tactics
- External Pentest Methodology, Attack Strategy, and Report Writing

3 - Hacking and Defending Active Directory

- Active Directory Overview
- Pre-Compromise AD Attacks and Defenses
- Post-Compromise AD Enumeration
- Post-Compromise AD Attacks and Enumeration
- AD Methodology, Attack Strategy, and Report Writing
- AD Case Studies
- Network Pivoting

4 - Intro to Web Hacking

- Introduction to Modern Webapps
- Web Hacking Methodologies
- Key Resources
- Recon and Discovery (hands-on)
- Exploiting Common Vulnerabilities (hands-on)

Frequently Asked Questions

Q: What delivery options are available for PNPT Accelerated Camp?
