Pulse Policy Secure Deployment, Implementation and Configuration

Category: Networking & Security | **Vendor:** Pulse Secure

Duration: 24.00 hours (3 days) **19.5 CPD Hours** **Rating:** ⭐ 4.6 (5,878 reviews)

Course Information

Delivery Format: Instructor Led - Online

Course Overview

This three-day course provides detailed coverage of the configuration of the Pulse Policy Secure Solution. Students will work with Pulse Policy Secure, a firewall enforcer, and configure secured access to network resources.

Key areas include Pulse Policy Secure deployment, basic implementation, and component configuration. Students will have the opportunity to apply their knowledge in several hands-on labs.

About This Course

Day 1

- Chapter 1: Course Introduction
- Chapter 2: Pulse Policy Secure
- Chapter 3: Initial Configuration

- Lab: Initial Configuration
- Chapter 4: The Access Management Framework
- Chapter 5: User Roles

- Lab: User Roles
- Chapter 6: Client Access Methods

- Lab: Client Access

Day 2

- Chapter 7: Profiler
- Chapter 8: Firewall Enforcement

- Lab: Firewall Enforcement
- Chapter 9: Layer 2 Enforcement

- Lab: 802.1X Enforcement
- Chapter 10: Endpoint Security

- Lab: Endpoint Security

Day 3

- Chapter 11: Authentication Options

- Lab: Authentication Options

- Chapter 12: Management and Troubleshooting

- Lab: Logging and Troubleshooting
- Chapter 13: High Availability

- Lab: Clustering
- Chapter 14: Virtualization
- Chapter 15: Pulse Policy Secure Integration

Who Should Attend

- Network Engineers
- Enterprise System Architect
- Technical Support Specialists
- Implementation Consultants

Prerequisites & Entry Requirements

General Prerequisites:

Students should have experience with the TCP/IP protocol suite, including addressing and routing, and Ethernet experience, including addressing, basic switching operations, and virtual LANs (VLANs).

Students should have knowledge of basic security and access management concepts, including 802.1X and RADIUS.

Frequently Asked Questions

Q: What delivery options are available for Pulse Policy Secure Deployment, Implementation and Configuration?

We offer multiple delivery formats:

- Live Instructor-Led Classroom Online (Virtual/Live Online)
- Traditional Instructor-Led Classroom Training (ILT)
- On-site delivery at your offices anywhere in United Kingdom
- Private dedicated courses customized for your team

Q: How many CPD hours does this course provide?

The 3-day Pulse Policy Secure Deployment, Implementation and Configuration course provides up to 19.5 CPD hours of structured learning. CPD certificates can be provided upon request.

Q: What is the duration of the Pulse Policy Secure Deployment, Implementation and Configuration training?

The training takes place over 3 day(s), with each day lasting approximately 24.00 hours including breaks for lunch and refreshments.

Q: Do you provide corporate training for Pulse Policy Secure Deployment, Implementation and Configuration?

Yes, we provide corporate training, dedicated training, and closed classes for Pulse Policy Secure Deployment, Implementation and Configuration. Training can take place anywhere in United Kingdom including London, Manchester, Birmingham, Edinburgh, or live online allowing teams from across United Kingdom or internationally to attend.

Q: What related terms do people search for?

Popular related searches include: Pulse Policy Secure Deployment, Implementation and Configuration, Pulse Secure, PPS

Q: Why choose Nexus Human for Pulse Policy Secure Deployment, Implementation and Configuration?

Nexus Human is recognized as one of the leading training providers. Our trainers have won multiple awards including:

- Small Firms Best Trainer Award
- National Training Partner of the Year (Ireland) - Multiple Years
- Global Top 30 Instructor Awards (2012, 2019, 2021)
- Tech Excellence Award Nominations
- Learning Performance Institute (LPI) External Training Provider Sponsor 2024

Q: Are there any discount codes available?

Yes! Use discount code **PENPAL5** when booking your Pulse Policy Secure Deployment, Implementation and Configuration training. Please note that only one discount code can be used per booking and cannot be combined with other special offers.
